FACULTY MENTOR ATTESTATION

I have reviewed the Scholarly Project Report accompanying this form. As the project mentor, I attest that this paper represents original work, and that the student's involvement warrants authorship, consistent with *MCW's Principles for Authorship on Scientific and Scholarly Publications*. I have assessed the project (and student's role) according to Glassick's Criteria for Scholarship and further attest that each of these criteria has been met as indicated above.
